

# Online Payments with PlayHQ

## All gain. No pain.

Collecting payments for community sports participation has never been easier. PlayHQ have integrated with online payment platform, Stripe, to create a simple, streamlined payment system enabling you to collect payments quickly and securely, access detailed reports, and manage cash flow and payouts with ease.

### What does this mean for you?

#### Reduced risk

Total transparency and a secure payment system means a minimised risk of fraudulent transactions for you and your participants.

#### Automatic Disbursements

Automatic disbursements straight into your nominated bank account. Reduced chance of human error in handling cash transactions and no more trips to the bank. Ever.

#### Set and forget

Reduce your administrative burden. Activate Stripe, set up your registration forms for the season and let the system do the rest. No more chasing down missed payments.

#### Improved reporting

Bookkeeping made easy. Automated reports on payments and payouts are available with just a click of a button resulting in accurate, transparent financial data.

#### Easy process for participants

An integrated, user-friendly system makes registering and an integrated, user-friendly system makes registering and paying fees quick and painless for participants so that they pay on time, every time.

### Transactions Fees and Disbursements

Payments will be automatically disbursed from PlayHQ within 24 - 48 hours of the funds clearing, straight into your nominated bank account, minus the transaction fee.\*

Simple one-click reporting capabilities will help you manage your revenue and track your payments.

Fees are a % of overall transaction and range between 1-3% depending on contractual arrangements with sporting bodies.

### Setting up Stripe is easy

Stripe is integrated with PlayHQ, so you can set it up from within the PlayHQ Admin Portal. Head to My Organisation/Overview and hit the Payments tab to start the set-up process.
